## EXPERIENCE

### Copy & Print Service Associate

Copyworks • Ames, IA • May 2024–present

- Operate range of laser and large-format printers, plus finishing processes to quickly execute walk-in orders
- Communicate with customers to clarify production deliverables and address issues with digital files
- Utilize RIP software to prepare files for printing
- Collaborate with team to complete on-going or recurring projects
- Provide timeline estimates, calculate price quotes, and create invoices

### Graphic Design Student Intern

Emerge Studio, CCSF • San Francisco, CA • Aug. 2023–Dec. 2023

- Designed marketing and promotional materials for City College of San Francisco departments and productions
- Interviewed clients, wrote briefs, and participated in peer critiques under direction of Artistic Directors and Production Manager

### Associate Designer

Mission Pets, Inc. • San Francisco, CA • Mar. 2017–Jul. 2021

- Developed and updated tech packs for pet product lines including placed artwork and print repeat specifications
- Illustrated technical flat sketches and specific construction details in collaboration with Creative and Technical Design teams
- Partnered with internal teams to track new material sourcing
- Maintained multiple libraries of approved materials, technical sketches, and digital print repeats

### Web Designer

Freelance • Guerneville, CA • Sep. 2015–Mar. 2017

- Partnered with front-end developer on website design and coded static prototypes for client review
- Designed chart graphics, brand logos, and print deliverables

### Packaging Designer

SimplyShe, Inc. • San Francisco, CA • Sep. 2011–Oct. 2012

- Developed packaging mechanicals and generated seasonal branding options for pet product lines
- Communicated daily with overseas agency to manage file uploads, comment on samples, and resolve production issues
- Responsible for store-ready pallet display design and development; partnered with domestic supplier on configuration, art approvals, and initial quotes

### Assistant Designer

SimplyShe, Inc. • San Francisco, CA • Jun. 2008–Jun. 2010

- Managed, created, and maintained updates of product planograms
- Assisted in tech pack design and sample commenting
